

## **MODA Floors & Interiors Participates in Bedroom Makeover**

For the third consecutive year, MODA Floors & Interiors and Agape Community Center, a non-profit organization, continued their "Extreme Bedroom Makeover" partnership. During the one-day event, MODA team members remodeled a bedroom for eight children in the Bolton Road community in Northwest Atlanta.

Agape expects to provide 13 children with new bedrooms by the end of November through similar partnerships with local companies such as MODA Floors & Interiors.

Rooms To Go provided new bunk beds for the project, and Rosing Paint Center donated paint and supplies. MODA team members accessorized the bright blue bedroom with zebra comforters, colorful pillows, tree wall decals, and new flooring.

"This is a highlight for us each year," said Dean Howell, president of MODA Floors & Interiors, a floor and window coverings resource in the West Midtown Design District. "The kids are always very appreciative of their new spaces. We think the Agape Community Center is doing good work in the neighborhood it serves."

Agape Community Center provides afterschool programs and family services that focus on academic achievement, character development, reading proficiency by third grade, high school graduation and post-graduation planning and placement.
